

Employee Leave Policy and Procedure

Scope

This policy applies to all Brook RED employees with the exception of those employed on casual terms. Leave entitlements for casual employees are per the National Employment Standards (NES).

Purpose

This policy sets forth employee entitlements to *annual leave* and *personal leave*.

Principles

Brook RED is committed to ensuring that leave arrangements are flexible and responsive for our employees and our organisation. We will endeavour whenever possible to accommodate leave in a way that values the wellbeing and external commitments of our employees.

Policy and Procedure

1. Personal Leave

Policy

- 1.1. Personal leave entitlements are those specified in the NES.
- 1.2. Employees will not be paid out accrued but untaken personal leave on termination of employment.
- 1.3. The employee is entitled to use up the ten days of their personal leave per annum as carer's leave.

Procedure

- 1.4. The employee will make an application to their direct Line Manager as soon as it is known that leave is required and will complete a Leave Request Form as soon as practicable.
- 1.5. If the employee requires more than two personal leave days, Management may require that a medical certificate be provided. If sufficient paperwork is not provided for any period of personal leave, management may treat the period of absence as annual leave.

2. Annual Leave

Policy

- 2.1. Annual leave entitlements are those specified in the NES.
- 2.2. Employees will be paid out accrued but untaken annual leave on termination of employment.

Employee Leave Policy and Procedure

- 2.3. Permanent employees who complete two years of employment at Brook RED will accrue, on a pro rata basis, one week of annual leave in addition to that prescribed in the NES.
- 2.4. Permanent employees who complete two years of employment at Brook RED will have the option of taking up to three planned weeks, in one week increments, of unpaid annual leave. It is an employee's choice to exercise this option or not to. This leave may be taken as unpaid during the weeks it is used.

Procedure

- 2.5. The employee will make an application using the Leave Request Form to their direct Line Manager at least two weeks before the proposed leave is to commence.
- 2.6. Leave applications will not normally be approved if there is insufficient accrued leave to cover the absence.
- 2.7. The Line Manager will approve the leave or may seek further discussion with the employee in relation to the dates, time, or reasons for the leave. Every reasonable effort will be made to enable the employee to take leave at the requested time.
- 2.8. The Line Manager will notify the employee when the leave application has been approved or denied.
- 2.9. The Line Manager will forward the completed Leave Request Form to the HR and Compliance Manager, Business Services Manager, and Training and Administration Coordinator.
- 2.10. The Training and Administration Coordinator will update the employee leave shared calendar.

3. Time Off in Lieu (TOIL)

Policy

- 3.1. Time off in lieu (TOIL) is a system that allows employees to 'bank' overtime and later receive compensatory time off for the banked time.
- 3.2. Overtime worked and banked for TOIL must be pre-approved and agreed between an employee and their direct supervisor or with the HR and Compliance Manager, the Business Services Manager, or the General Manager.

Employee Leave Policy and Procedure

- 3.3. To prevent burn out, overwork, and future scheduling issues, TOIL balances should not 15.2 hours and should ideally be used in the same fortnight in which it is accrued. Where it is not possible to use TOIL in the same fortnight in which it is accrued, TOIL should be used as soon as is reasonably possible and it must be used within 6 weeks of accrual.
- 3.4. TOIL accrued is not payable on termination of employment, but may be used during a termination of employment notice period.

Procedure

- 3.5. Line Managers will keep a record of TOIL hours banked and used by each employee they directly supervise.
- 3.6. TOIL balances in excess of 15.2 will be reported to the HR and Compliance Manager by Line Managers.

4. Extraordinary Leave

Policy

- 4.1. Separate from other types of leave, Brook RED may make available up to ten days fully paid extraordinary leave per annum for full-time employees or the pro rata equivalent for part-time employees. Extraordinary leave is leave provided to employees who experience a significantly disruptive life circumstance requiring leave beyond that provided for in the NES. The leave is provided in order to facilitate activities that an employee may need to undertake as a result of experiencing such circumstances (for example, moving house or attending legal appointments). While this leave is granted on a case-by-case basis and is granted at the discretion of Brook RED, it will not be unreasonably withheld and the decisions to grant such leave will be determined without consideration to organisational need. Extraordinary leave will be granted upon commencement of employment and will renew annually on 1 July. Extraordinary leave will not accrue if unused and is not payable on termination.

Procedure

- 4.2 Employees should request extraordinary leave from their direct Line Manager who will indicate whether the requested leave is approved or denied as soon as practicable and with a minimum of delay.
- 4.3 Line Managers should be provided with as much detail as possible about the timing and duration of the leave.
- 4.4. Granted extraordinary leave should be noted on time sheets as 'EL'.

Employee Leave Policy and Procedure

- 4.5 Because extraordinary leave may be requested with no or limited prior notice, the approval process is intended to be responsive and to minimise barriers to access.

5. Other Leave

Policy

- 5.1. Long service leave entitlements are per the Industrial Relations Act (1999) QLD. The procedure for accessing long service leave is the same as that specified in this policy for annual leave. Per the Industrial Relations Act (1999) QLD, employees will be paid out long service leave entitlements on termination of employment.
- 5.2. Other leave including family and domestic violence, compassionate leave, parental leave, et cetera, are those specified in the NES and the employee's award. If you wish to access these forms of leave, please speak with your direct Line Manager.

Definitions of Terms Used
