## ENQUIRY FORM FOR ORGANISATIONS

Brook RED offers Belong Training for individuals and organisations. Please use this form if you are an organisation enquiring about our training.

The Belong Training is designed to increase capacity to create affirming spaces and practice when supporting and working with LGBTIQIAP+ people. We hope to fill knowledge gaps and increase the confidence and skill of people to work with members of the LGBTIQIAP+ community. The training is 4 hours long and the date and location of the training is arranged in collaboration with the organisation.

The Brook RED team are all peer workers who have experienced living with and working through mental health concerns. All trainers identify as part of the LGBTIQIAP+ community. We are welcoming and responsive to people’s needs, identities, and perspectives. We celebrate bodies, genders, sexualities, and cultures in all their diversity.

Please fill out the form below if your organisation would like to arrange Belong Training. We will respond with a quote for the cost of the training.
