

BELONG - CONSULTANCY ENQUIRY FORM FOR ORGANISATIONS

Belong is a team of LGBTQIAP+ lived experience peer workers who have experience working through mental health concerns and navigating health systems. We draw from our lived experience as well as our knowledge around LGBTQIAP+ issues to deliver consultancy around best practice when working with LGBTQIAP+ people and also creating an affirming professional environment for your team.

We can offer consultancy in the following areas:

- Ensuring LGBTQIAP+ inclusivity in program development
- Renewing forms and documents to ensure they are LGBTQIAP+ inclusive
- Creating an affirming professional environment
- Assisting with the development of educational and training materials
- Facilitate group or one on one conversations to increase confidence and knowledge for your workplace / employees

For those who have attended Belong Training, we are also able to organise a follow up session to address any specific areas that you wish to know more about.
