

Vehicle Use Policy

Scope

This policy applies to Brook RED Community Members/NDIS Participants, Nominated Support People, board members, employees, volunteers, and students on placement.

Purpose

Brook RED frequently uses vehicles in order to carry out its services and operations. This policy outlines the conditions under which an individual may use a Brook RED vehicle or use their own private vehicle for work purposes and sets out the responsibilities of both Brook RED and the drivers.

Principles

Brook RED aims to ensure that its vehicles are used in a manner that at all times promotes safety and ensures that the organisation's resources are used and maintained in an appropriate fashion.

Policy

1. Driver Qualifications

Drivers must:

- 1.1. Hold a current Type O, P1, P2, Class "C" driver's licence issued in the State of Queensland. If there are any qualifications on the licence these must be observed by the driver.
- 1.2. Not be aware of any reason that they are precluded from operating a vehicle, including a doctor's direction or medication warning.
- 1.3. Inform Line Manager immediately of licence suspensions and/or disqualifications

2. Driver Registration

All drivers are required to complete a Driver Registration Form and this must be approved by Line Manager prior vehicle use.

3. Driver Responsibilities

Drivers must:

- 3.1. Have expressed permission to use the vehicle from Line Manager.
- 3.2. Use the vehicle only for the purpose permission is granted for and to return the vehicle's keys on completion of use.
- 3.3. Obey road rules and regulations. Any fines or penalties or costs resulting from failure to obey these will be the responsibility of the driver.
- 3.4. Ensure that a vehicle has not less than an eighth of a tank of petrol at the conclusion of use. Brook RED will pay for fuel costs and driver must provide a receipt for purchase of fuel.
- 3.5. Accurately and completely fill out a log book if provided with the vehicle.

Vehicle Use Policy

- 3.6. Treat the vehicle in a respectful and appropriate manner (i.e. removing any rubbish in the vehicle, not permitting smoking in the vehicle, ensuring the security of the vehicle).
- 3.7. Notify Line Manager if there are any issues with the vehicle that may necessitate servicing.
- 3.8. Report any damage sustained to the vehicle or any accident in which the vehicle is involved to Line Manager as soon as is practicable and to assist with the filing of any documentation required as a result of damage or accident.

4. Passenger Responsibilities

All passengers must act in a manner that is conducive to safe travel and treat drivers and vehicles in a respectful and appropriate manner.

5. Brook RED Responsibilities

Brook RED will ensure that:

- 5.1. Vehicles are regularly serviced.
- 5.2. Road side assistance is in place for all vehicles.
- 5.3. Vehicles are registered and insured.

6. Transporting children

Brook RED endeavours not to transport children in Brook RED vehicles. However, if this is absolutely necessary then employees must ensure that current Australian standard child restraints are fitted and used, as appropriate. If such restraints are not available, then children will not be transported in Brook RED vehicles. Please see the Queensland Government Transport website for more information.

7. Managerial Discretion

The General Manager has overall responsibility for this policy.

Supervisors and Managers have absolute discretion and may at any time deny or revoke an individual's driver registration.
