Cooking Group

Learn how to cook, or share one of your favourite recipes with the community. In this group, we will be looking at budgeting, shopping, prepping and enjoying a lunch together as a group. In order to learn, we encourage participation in all aspects.

Get Moving

Staying active can do wonders for our mental health and wellbeing. So lets explore some that may work for you ! Every week, we aim to try out different things within a gym environment. All fitness levels are welcome and participation is encouraged at your own pace.

IKIGAI– Audiobook

Ikigai is a Japanese concept that describes something that gives a person a sense of purpose and joy in life. It can refer to people, activities, or a combination of both. In this group, we discuss how we can incorporate the concepts on ikigai in our lives and live a meaningful life.

Art group

Let your creativity flow! Try out an assortment of different art mediums while chatting about life and recovery. No artistic capabilities are needed to join, just enthusiasm to create and connect. Facilitated by one of our community members

Outing

Join the team for a fun experience exploring. Please arrive at Norton Street by 10am or meet us at the outing location (phone to let us know). **Sign up is essential**

Self Care

Conversation based group that discusses different aspects of self-care. From personal hygiene, to doing things that accumulate positive emotions for ourselves, lets explore things that could bring a bit of joy in our lives.

Community Meeting

Once a month, we like to discuss how the community is running. A good time to have your say about how the centre is run and if there are any changes you would like to make.

DBT-lite

A non-committal, chill version of a DBT (abridged) group that covers the major DBT skills. It's a great way to dip your toes in if you are considering committing to the more structured one, or if you want to refresh your skills. It doesn't require people to do any home practice, however it is always encouraged. Walk-ins are welcome

Karaoke

A fun sing along and Karaoke arvo for the whole community. Come join us for a fun, non-judgemental space where everyone is welcome.

Music Group

Facilitated by a community member, this group looks at different musical talents people have. A jam session for people who love to express themselves with music. Grab a guitar, play the drums and sing some tunes.

Trivia

Join us as we challenge our brains and each other to some fun trivia questions and riddles.

Sports Skill

Lets learn a new skill that is part of physical activity. A range of activities are on offer to engage in as a group, whether we can learn to swing a tennis racket or kick a soccer ball. We can learn something new to help improve and maintain our mental health.
